

Hair Miles at Lucinda Ellery Consultancy

We are proud to launch our new Hair Miles Client Reward Scheme which has exciting benefits for existing clients at Lucinda Ellery Consultancy. You will be issued a Hair Miles Reward Card with your personal number which will be very important to make sure you and your friends receive your Hair Miles.

How do the Hair Miles work?

When you recommend a friend or friends to come for a hair extensions consultation and then they book in for extensions, you will receive a Hair Miles credit to the value of 10% of what your friend spends on their first set of extensions.

So for example, if you recommend 5 friends who all come in for a consultation and then come in to have their first set applied; each of your friends will receive a 10% discount and 10% of the total spend of each friend will be put onto your account as a Hair Miles credit. If they all have the same as you, then this could mean 50% of your next set of hair extensions!

How do I or my friend redeem our Hair Miles?

Your friend must quote your name, Hair Miles Reward card number and supply the Hair Miles Voucher when paying for their first set. This will ensure that the 10% discount is applied to their first set and also that a Hair Miles credit of 10% of their total spend is applied to your Lucinda Ellery Consultancy account.

There is no limit on how many friend(s) you recommend to Lucinda Ellery Consultancy. You may even end up having your hair extensions done completely free indefinitely! Refer a friend and reap the benefits from this fabulous reward scheme.
